## Annotations to Completed Sample Form 121

1. All Social Security numbers that the debtors have used must be listed. Although it is unusual for more than one Social Security number to be listed for a debtor, different numbers may have been obtained from the Social Security Administration, for example, if the debtor has been the victim of identity theft or domestic violence. **BACK**
2. The form also provides space to list all federal Individual Taxpayer Identification Numbers (ITIN) used by the debtor. An ITIN is a tax processing number issued by the Internal Revenue Service. The IRS issues ITINs to individuals who are required to have a U.S. taxpayer identification number, but who do not have and are not eligible to obtain a Social Security number. The debtors here have checked the boxes indicating that they do not have an ITIN. **BACK**
